Keep us posted on your contact information - the website will stay live even after the reunion! Send us address/phone/email changes, send us news, send us photos - we'll post it all! And remember - the database will be kept as current as possible, so anytime you need a classmate's contact info - you can get it off the website.

Some people come into our lives and quickly go. Some people become friends and stay a while... leaving beautiful footprints on our hearts and we are never quite the same because of them.

Reunion photos

There will be a link off the website where you can download your reunion photos, or upload any from others that you'd like to have. The group photo will be posted there as well. It's all free to download and upload! If you want to print them out - you'll need to do that on your own using whatever method you prefer.

Reunion CD

There will be a link off the website where you can download the reunion CD for free - you can then burn your own CD or put it on your ipod. **NOTE: this link will only be available for a short time. PLEASE check it quickly!** A few CD copies will be available at the reunion for those who have no computers or limited computer skills!
